SCOUT

SKU: TFT18PLDO (BLACK) | MSRP: \$299.99

Never leave your wood-fired flavor behind. Whether you're cooking RV-side after a long day on the road, or setting up camp in the deep woods, add some serious flavor to your getaway. Featuring a Digital Pro Controller with an added meat probe to easily monitor your cooks, the Scout may be small in size, but can grill with the best of them.

FEATURES:

- Digital Pro Controller allows you to set the temperature in 25-degree increments
- Meat Probe to check temps without lifting the lid
- Lid latches to ensure safe transport
- Easy-to-clean porcelain-coated grill grates
- 184 sq. in. grilling area is big enough to accommodate 6 Chicken Breasts, 6 Burgers or 10 Hot Dogs

SPECS:

- 184 sq. in. grilling area
- Assembled Dims: 21 W x 20 D x 13 H (inches)
- Assembled Weight: 45 lbs.
- Packaged Dims: 22.5 W x 19 D x 15 H (inches)
- Packaged Weight: 52 lbs.
- Available in black •
